- Angie spoke with a firefighter about their interest in pickleball. There may be an opportunity for an outreach or community event with firefighters, EMS, and possibly police officers.
    - Discussed the idea. Decided that Lori would reach out to the contact at the fire department to assess interest. Could schedule a player development session, reserve some courts and have the interested first responders play to cover the rules and assess how a possible first responders mini-tournament might be organized. Justin Bryan at the Bolivar Street fire station is the firefighter that Angie talked with, who expressed the interest. Angie will talk to Justin to confirm the decision-maker's contact info and let Lori know.

Committee Reports

Facility committee: Doug Blaha

- JC Parks and Rec updates:
    - We are looking at possibly purchasing an electric blower to have in the building at Washington Park for our use. Parks and Rec are also looking into this. We will wait to hear back from them before doing anything. Hercules at Harbor Freight will cost us $120.00-$200.00 (5-year guarantee). Would like approval from everyone for the Facility committee to purchase this if Parks can't provide one.
        - Parks and Rec is getting an electric blower.

- The JCPBC and SMPC will gather on October 3, from 10 a.m. to 3 p.m. at Washington Park. Pulled pork and possibly a second type of meat will be provided. Attendees are asked to bring a dish to share.
    - Need some strong individuals to set up the tables ahead of time for all events. Addie will coordinate getting some volunteers.
- Laura Mertens is checking her calendar to have another Bingo night. She is checking with Larry to see when he's available because he calls the numbers. We are looking at a date around Halloween.
- JCPBC reserved the McClung indoor pavilion again this year for the Christmas party on Saturday, December 12. The committee selected fried chicken from Hen House for the meat and a second meat is yet to be determined.

- Summer Sizzler League-Halfway through. Had to cancel a couple nights due to heat. Everything else is running pretty smoothly. Need to get medals ordered for this league. Need to tell Aaron to change the timer setting on lights so they can come on before 7.
- Team Leagues-The fall league is usually a team league to wrap up the outdoor season. Hopefully the cancellations from the current league doesn't push us too far into the fall. Planning will start soon.
    - Jan will order the medals once Kevin determines how many we need to order.
- Registration for Fall Frenzy is ongoing. There are currently 103 people signed up. I will send out another round of mass texts to the people on the tournament player spreadsheet. Help spread the word. Proceeds go into the Parks Foundation and are used for Pickleball projects only.
    - Need tables and speakers set up.
    - Concession stand will be set up.
